A one day Training Programme on TELEPHONE TECHNIQUES, COURTESIES & EFFECTIVE RECEPTION DUTIES

Organized by
**The National Chamber of Commerce
of Sri Lanka**

5th August 2010 - 9.00 a.m to 4.00 p.m (Full day)

@

NCCSL Auditorium

For many customers, the telephone and the receptionist is the first contact they have with a business. As the saying goes, you never get a second chance to make a first impression. And that first impression can either leave customers calling elsewhere, or have them excited about learning more about your products or services.

Great telephone and reception skills do many good things to maintain an excellent relationship with customers which in turn benefits every person involved from the owner of the company to the call center employee, to the customer.
